Instructional Days 175 days

Non-Instructional Days 7 days

Total Days in Session 182

Total Hours of Instruction (K-7) 875

Days of instruction are different than “days in session”. Days in session are days that school is “open” but the students are not necessarily in attendance. On a “day of instruction”, students are to be in attendance and under supervision for the purposes of receiving instruction in an education program.

Indigenous Schools have the benefit of the Indigenous Peoples’ Day statutory holiday, hence, the days of instruction is one less day than prescribed in the School Calendar Regulation.
